## NEW PLAYER REGISTRATION APPLICATION

2010-2011 Season

All New Player Registration Application must include all requested information at time of submission. Any incomplete registration application packages will not be processed and therefore may result in delays in the review and approval process.

NEW PLAYERS can apply once returning player registration opens, but will not be guaranteed a spot until after March 1st which is the deadline for returning players to register and be guaranteed a spot.

If you live outside of those municipalities and have been waitlisted by the respective minor hockey association you may request a residential waiver to transfer to Victoria Minor Hockey. We will not accept any out of draw zone applications for those waitlisted by their home association without a signed letter of release by your home associations president (please request form from our registrar to take to your home association). There has been numerous amendments made to our registration policy pertaining to the waitlist process. Please refer to the VMHA Constitution and Bylaws – Registration Policy 2010/2011 para 11.
